Warning lights are flashing down at Quality Control
Somebody threw a spanner and they threw him in the hole
There's rumours in the loading bay and anger in the town
Somebody blew the whistle and the walls came down
D
There's a meeting in the boardroom they're trying to trace the smell
A
There's leaking in the washroom there's a sneak in personnel
E **D**
Somewhere in the corridors someone was heard to sneeze
A
'Goodness me could this be Industrial Disease?'

The caretaker was crucified for sleeping at his post
They're refusing to be pacified it's him they blame the most
The watchdog's got rabies the foreman's got the fleas
And everyone's concerned about Industrial Disease
