I hired Edwards, Inc. many times while with Yonkers; Patrick was VP at Edwards, recommending me to Piedmont Natural Gas when PNG needed agency CM during their LNG renovation in Nashville, TN.

I met Ernest when I was CM for Yonkers managing Hospira's packaging renovations at the Rocky Mount facility. Ernest was employed by Inserv as an equipment operator, later working for Kinetics as an orbital welder, Edwards as QC, then CHI as QC on the PNG LNG renovation in Nashville, TN.
